

# Old Collegians Association Single Malt Whisky

I invite you to purchase our latest edition of some of the finest malt whisky that Scotland has produced. Personally chosen for the Association by the “Master of Malt” Michael Fraser Milne. This Whisky promises to be a fine addition to your liquor cabinet.

You will note on the label we feature that magnificent piper, Richard Hawke (1976 – 1980). Richard is currently director of the College pipe band, he is a past world champion solo piper. Truly the perfect person to feature on this whisky. The portrait was painted by another well-known Old Collegian, Kelvin McMillan (1973 – 1977). Kelvin’s work is regularly exhibited in all this country’s finest galleries and studios.

## The Whisky

Glen Moray is a distillery that is located in the Speyside region of Scotland, sitting on the outskirts of the town of Elgin and on the banks of the River Lossie. The main market for Glen Moray single malts is the UK, where it lies in fourth place for total sales last year, behind only Glenfiddich, Glenmorangie and Glenlivet.

This 46% proof whisky provides plenty of bangs for your buck. Enjoy.

**Tasting Notes:** 'Dried fruit, chocolate and barley sugar'

**Color:** Deep gold

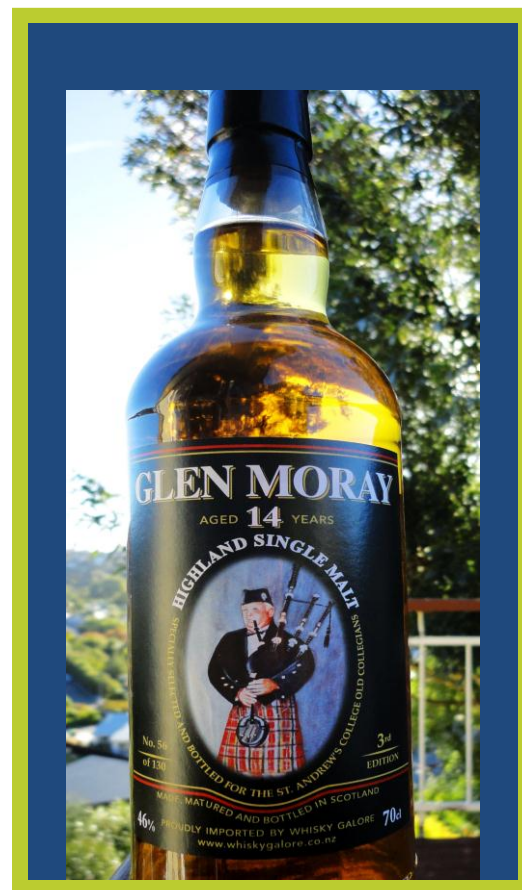

**Nose:** A rich and mature nose with a robust character. It is reminiscent of dried fruit, perhaps figs and raisins, mixed with chocolate and spices. There is a hint of leather and linseed oil giving an overall impression of warmth and depth of character.

**Finish:** Medium to long finish with a flavor and texture reminiscent of barley sugar and humbugs.
